

### Specifications

Max. power generation capacity *	10.8W
Max. output power	9.5W
Max. output voltage	5.0V
Max. output current	1.90A
Dimension	915X250Xt1 (protrusions excluded)
Weight	Approx. 0.24kg
Accessory	Storage bag (with strings) x 1

\* The maximum power generation capacity is the value of a single solar sheet that does not go through the circuits in the USB box.
